-- To Whom It May Concern: ---

Pursuant to the Freedom of Information Act, I hereby request the following records:

Documents dated Jan 1st, 2018 until present referencing the OPT or 'Old Profane Territory' wolf pack and lethal removal authorized by WDFW Director Kelly Susewind on July 10th of this year. Including the full "Wolf-livestock mitigation measures" checklist, and all email communication between agents and employees of the Washington Department of Fish and Wildlife and Livestock Producers effected by depredation in Northeast Washington State .

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Lena Mercer
